

“I never really thought that I would ever be in ministry. But God used my summer at CYIA to show me *HIS* plan for me. I would wish that ANY teen would get to have the amazing experience I had learning *real* skills and gaining the tools to better serve, grow, and lead for Christ!”

— a former CYIA student

“CYIA was among the most powerful and effective spiritual maturing tools that God has ever used in the lives of my children.”

— a mother of two CYIA students

“We had a real need for Sunday school teachers and mid-week teachers. Because of getting our teenagers involved in CYIA and giving them opportunities to serve, they have a holy boldness to impact not only their peers, but also the next generation. Our church grew from 6 to 200 teenagers involved in our programs.”

— a local senior pastor

MAKE A DIFFERENCE
THIS SUMMER

Reaching children worldwide™

GOD CAN CHANGE THE WORLD THROUGH YOU ONE CHILD AT A TIME!

Have you ever wanted to go on a **missions** trip, but cost, timing, or distance made it impossible?

Are you a young Christian who wants to **serve God**, but you're not sure exactly **how** to do that?

Could you use a few more Godly Christian friends who **truly** care about you spiritually and want what's **really** best for you?

Do you want to make a **difference** in this world for Christ, not just talk about it?

Now's the time to prayerfully consider
Christian Youth In Action®!

What's *Christian Youth In Action*?

In **CYIA™**, young people are trained to effectively share the Gospel message with children through Bible lessons, songs, memory verses, and more. Then they serve in various local summer ministries with the **5-Day Club®** program as the main focus.

Students who enroll will attend a one week in-depth training with students from all over Arkansas. This is a great opportunity for any young person interested in missions and children's ministry.

Who participates in **CYIA**?

Christians ages 14 to college age may apply for **CYIA** training and serve for **Summer Missionary (SM)** responsibilities.

How long is **CYIA**?

Training takes place in June and **SMs** commit to serving in **5-Day Club** ministry for at least 2 weeks of the summer. See www.cefark.com/cyia for this year's specific dates and details.

Does **CYIA** cost anything?

Like missionaries, each participant is responsible for raising support to help cover their training costs & materials. **CEF®** staff coach and assist throughout the process.

Will I serve by myself?

CYIA students come from all over Arkansas. Locally, you will serve within a team comprised of fellow young people from your local area.

What's a **5-Day Club**?

A 90-minute club for kids held during the summer months in backyards, community centers, and parks for 3 to 5 consecutive days where the Gospel is presented clearly through Bible lessons, a Missionary story, exciting games, songs, and more! **CYIA** students receive full training to conduct clubs with their team.

This sounds amazing! How do I start?

- » **PRAY** for God's clear guidance
- » **APPLY** to serve at www.cefark.com/cyia
- » **RAISE SUPPORT** after acceptance under the guidance of your local chapter leader to help cover your training and material costs
- » **TRAIN** at **CYIA** Training School for six days of training with other teens and **CEF** staff
- » **SERVE!** After training is complete, you'll be fully equipped to use your new skills directly through **5-Day Club** and other local **CEF** children's outreaches over the summer
